

- From 7:00 pm
- ~2 hours
- Max 6 adults

A unique after-dark safari in Marloth Park using state-of-the-art thermal-camera technology — heat signatures reveal wildlife near and far on a live HD screen inside the vehicle.

- ◆ Roof-mounted thermal camera, live HD screen inside
- ◆ Giraffe, zebra, wildebeest & kudu after dark
- ◆ On special nights: porcupine, genet & bushbabies
- ◆ No spotlights — nothing is disturbed
